Beyond Standards in Training**

ENS Training

ENS is a leading family-run recruitment, training and care provider with 25 years' experience. We provide training in accordance with the latest guidance from Skills for Care/Skills for Health and provide mandatory, specialised and bespoke training solutions to a wide range of clients.

Our variety of courses includes all the mandatory training requirements and Care Certificate modules, as well as more specialised health and social care topics.

Our expert courses and professional trainers are available for single candidates, for a group or they can be tailored to your needs. You can attend training at our brand new training room, access courses online or we can deliver them at your location. All our trainers are professionally qualified with extensive sector experience

and we encourage you to observe these courses to appreciate the high quality of the delivery and content.

ENS's approach to learning combines both practical courses and assessments with theoretical e-learning modules; meaning increased flexibility for both clients and candidates. The development of our e-learning portal enables access to up-to-date and fully compliant training modules for staff at competitive rates. Credits can be purchased for e-learning courses, providing access to individual course management, where courses can be allocated, results viewed and certificates downloaded.

Whatever your training needs, we'll be able to assist, contact our Training Team for further information on 01702 361461 or email training@ensgroup.co.uk

TESTIMONIALS

I have completed a number of practical and theory training courses with ENS; they have all been very thorough and informative and I have learnt lots from them. The course leaders are experienced and very knowledgeable and have lots of energy and enthusiasm. I would definitely recommend ENS to anyone who needs to take part in health and social care training.

**Ali Knight,
Support Worker**

ENS have a fantastic training division, they offer a wide range of mandatory and specialist courses. The team are always helpful, polite and professional; I know I can always rely on them. We book all our health and social care training with ENS and the feedback from our staff is always really positive, I can't recommend them highly enough.
